Medtronic

Midas Rex® Legend® Electric Motors

Midas Rex® Legend®
Electric High-Speed System

» Legendary Midas Rex® power is now available in three innovative, high-speed electric motors.

» Midas Rex® Legend EHS® Motor uses patented technology to produce pneumatic-like power with less noise.

» Midas Rex® Legend EHS Stylus® Motor provides proven power in a compact size, well-suited for tight spaces.

» Midas Rex® Legend® Stylus Touch™ Motor offers the proven performance of the the Legend EHS Stylus® with an integrated finger control.

» All options deliver exceptional ease of use and unparalleled performance.

Midas Rex® Legend

EHS Stylus® Motor

- Quiet, small and lightweight
- Well-suited for a range of procedures
- Quick set-up and easy-to-use design
- Adjustable speed from 200 to 75,000 rpm

Legendary Midas Rex® Power in a Quiet, Electric System

Midas Rex® Legend

EHS® Motor

- The first electric motor with Midas Rex® power and precision
- Patented technology enables more power with less heat
- Excellent heat profile/duty cycle due to superior motor efficiency

Midas Rex® Legend®

Stylus Touch™ Motor

- Fingertip control with the same power and features of the Legend EHS Stylus® Motor
- Ergonomic positioning and true variable speed adjustment
- Adjustable speed from 200 to 75,000 rpm

Standardized Midas Rex® platform provides one system for different surgical specialties.

The Integrated Power Console (IPC®) System operates all three Legend® electric motors

- Customizable default speeds for each drill
- IntelliFlow™ remote control irrigation allows precise flow control from the sterile field
- Intuitive user-interface aids in quick set-up and proper cable connections

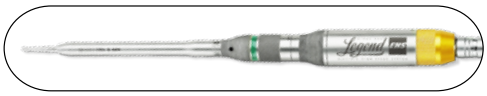
Interchangeable tools and attachments work with all Midas Rex® Legend® motors

- Comprehensive attachments and tools available for a variety of procedures and every motor
- Angled options offer added versatility
- Color-coded for easy identification

Ordering Information

Integrated Power Console (IPC®) Console Kit	EK001*
Description	**Part Number**
Integrated Power Console (IPC®)	EC300
Power Cable, 6 meters	EA650**
IV-Pole Basket	EA900
Foot Control	EF200
Instruction Manual, English	175027EN

*This set is only available in the USA. For customers outside the USA, please order the above items individually.
**Alternate options available. See Accessories or contact your local representative



Legend EHS® Motor Kit	EK002*
Description	**Part Number**
Legend EHS Motor	EM100-A
Legend EHS Motor Cable	EA200
Attachment Lubricating Nozzle	PA120
Instrument Case	EA100
Irrigation Tubing, Disposable, 5-pack	IRD300
IntelliFlow™ Irrigation Remote Control, Disposable, 5-pack	IRD200
1.2 mm Cleaning Brush	PA300
2.4 mm Cleaning Brush	PA310
3.2 mm Cleaning Brush	PA320

*This set is only available in the USA. For customers outside the USA, please order the above items individually.

Legend EHS Stylus® Motor Kit	EK003*
Description	**Part Number**
Legend EHS Stylus Motor	EM200
Attachment Lubricating Nozzle	PA120
Legend EHS Stylus Case	EA100
Irrigation Tubing, Disposable, 5-pack	IRD300
